■ Daily Meals

Each dormitory has a kitchen, and homemade breakfast and supper are provided every day (except Sundays, National Holidays, the 5th Saturday of each month, Summer Holiday and Winter Holiday) to support health of busy students. You can save time for cooking and washing dishes. You will enjoy fresh meals using your time effectively! You can choose a Japanese or Western menu for breakfast.

※Last order time for breakfast is 15 minutes before the closing time, and that for dinner is 30 minutes before the closing time.

※**Attention: It's not possible to respond to your personal requests according to your allergy or religious restriction. Vegetarian / religious menus such as halal are not available.**

■ Facilities & Equipment

Students do not need to buy or bring their own furniture because necessary fixtures and furniture for daily life are provided. Each room is furnished with a bed, desk, chair, air-conditioner, IP telephone, bookshelf, closet or chest, and lamp. Each room has a 24 hour dedicated Internet connection. Also, the IP telephone in each room will help reduce your phone bill.

■ Common Facilities

Our dorm has many common facilities. You can use not only the dining room, kitchen, big bath, laundry and private shower room but also electric appliances such as vacuum cleaners and irons.

※ Actual equipment may differ from what are shown here.

■ Safety Management

A dormitory manager helps residents with their daily life, and takes care of their health condition and security.

If you're sick, or if a package is delivered while you are absent, they will support you.

We hope our dormitory will be a place that gives many opportunities to interact with other languages and cultures in your daily life. Meal service and management are closed for 5 days during the New Year Holidays, 7 days after the end of Academic year, the fifth Saturday of the month.
