

# 2016 Admissions Guide on Entrance Examination for International Students

Two types of entrance examinations for international students will be conducted: the “Entrance Examination for International Students” , consisting of a documentary screening and interview: and the “Entrance Examination Consisting of Documentary Screening for International Students” , consisting only of a documentary screening.

## Entrance Examination for International Students

Documentary Screening  
and  
Interview

- 1.This examination will be conducted for entry to 14 faculties (excluding the Faculty of Global and Interdisciplinary Studies from among the 15 faculties).
- 2.International students taking the “Examination for Japanese University Admission for International Students (EJU)” , to be held in November 2015, are also accepted for entry to the Faculty of Law.
- 3.Simultaneous application for the “Entrance Examination Consisting of Documentary Screening for International Students” is permissible.
- 4.No English proficiency test administered by an outside organization is required for entry to the multiple faculties.
- 5.The application fee is ¥35,000.

Only  
Documentary  
Screening

## Entrance Examination Consisting of Documentary Screening for International Students

- 1.This examination will be conducted for entry to the Faculties of Law, Economics, Humanity & Environment, Computer & Information Sciences, Engineering & Design and Bioscience & Applied Chemistry.
- 2.The examination consists only of a documentary screening.
- 3.International students taking the “Examination for Japanese University Admission for International Students (EJU)” to be held in November 2015 are also accepted for entry to all the faculties.
- 4.Simultaneous application for the “Entrance Examination for International Students” is permissible.
- 5.The application fee is ¥15,000.

**International students are allowed to enjoy a 30% discount off their tuition (with certain conditions).**

**A maximum ¥1,000,000 scholarship is provided annually.**

**Simultaneous application for both entrance examinations for international students is permissible (except for the Faculty of Engineering & Design).**

The application qualification and required test depend on the faculty. For more information, please refer to the two types of admissions guides as per the attached sheet. In addition, when applying for the examinations, please read the Entrance Examination Guidelines to be posted on our official website in July.
