### Class Search

Select and enter the search word and click the search button

You can search for [Class title] and [Instructor name] by selecting either "partial match", "forward match", "backward match", or "complete match". (Otherwise "Partial matching")

- Partial match for words or phrases that match part of the search term(s).
- Forward match for words or phrases that match the first word of the search term(s).
- Backward match for words and phrases that match the last word of the search term(s).
- Exact for words or phrases that exactly match the search term(s).

When you specify a keyword in [keywords], syllabus text will be target.

\* Only one phrase/term can be specified in an input field.

Faculty/Graduate school	<input type="text" value="Select"/>
Class code	<input type="text"/> <small>Partial matching</small>
Numbering code	<input type="text"/> <small>Partial matching</small>
Class title	<input type="text"/> <input checked="" type="radio"/> Partial matching <input type="radio"/> Forward matching <input type="radio"/> Backward matching <input type="radio"/> Perfect matching
Class Title (sub)	<input type="text"/> <small>Partial matching</small>
Previous Class title	<input type="text"/> <small>Partial matching</small>
Instructor name	<input type="text"/> <input checked="" type="radio"/> Partial matching <input type="radio"/> Forward matching <input type="radio"/> Backward matching <input type="radio"/> Perfect matching

You can specify multiple search conditions by using symbols (excluding [keywords])

Symbol	How to use
%	To search for a code containing A and 0. ex. A%0
-	To search for a code whose first character is A and whose third character is 1. ex. A_1_--

② Search classes

## 2. In case that you have decided on the courses you want to take, the days of the week, and the period.
