

How to make school fees payment from overseas

【International payments platform (Recommended)】

To make a payment you can use an international payments platform “WU® GlobalPay for Students” which is our preferred method for international payments. This service allows you to pay in your local currency via bank transfer, or by using a wide range of local online payment options without incurring any transaction charges.

Click the website below and follow the procedure.

The screenshot shows the payment form interface for Hosei University. It includes a dropdown menu for 'Paying fees from', a 'Billing Amount' field with a currency selector set to 'JPY', and a 'Get a quote' button. The Hosei University logo is visible on the right. Two callout boxes provide instructions: a red box points to the country dropdown with the text 'Select the country', and a blue box points to the amount field with the text 'Enter the amount (Japanese Yen) printed on the payment invoice.' A 'Feedback' button is located on the far right edge.
