

## About GIS Classes in AY2022

- 1 To prevent the spread of infection due to COVID-19 virus, the methods of teaching (face-to-face, online) will vary depending on the course.
- 2 Maximum credit limit for online classes  
From the 2022 academic year, the special measures set by the Ministry of Education, Culture, Sports, Science and Technology in relation to the novel coronavirus will end, and students will not be able to take more than the 60 credits required for graduation from online classes. Please check the number of completed and acquired credits from online classes according to your registered subjects and result notifications, and think carefully about your subjects. In addition, if the infection situation becomes serious during 2022 academic semester, and it becomes necessary to switch from face-to-face classes to online classes, then these subjects will be treated as if they are face-to-face classes.
