

Learn more about working at accenture

Accenture PLC is a Fortune Global 500 management consulting and professional services company that provides strategy, consulting, digital technology and operations services. A representative will be joining us at Hosei University to tell you more about working in this exciting, cutting edge environment.

**Thursday January 17th
17:00~18:20 (5th period)
Room S403**

There will be 36 seats available. Please send your name and Student ID in an email to gis@hosei.ac.jp with the title “Accenture info session (January 17)”.
