

Opening for a fixed-term position at Hosei University

1. Department and faculty:

Department of Electrical and Electronic Engineering, Faculty of Science and Engineering

2. Number of positions:

One position, five-year fixed term, as Assistant Professor (助教).

3. Starting date:

April 1, 2019

4. Educational and research fields:

Electrical Energy Engineering Course. The research fields include, but not limited to: renewable energy, hydrogen energy, DC transmission system, smart grid, power systems, high voltage engineering, electrical machines, power electronics, energy conversion, plasma engineering, superconductivity, and so on.

5. Teaching duties:

Several undergraduate courses per semester, including lectures (subjects depend on the applicant's specialization) and electrical and electronic engineering laboratories.

6. Requirements and personal qualifications:

- 1) Doctorate degree in a relevant field (completed prior to the start date).
- 2) The ability to work cooperatively with administrators and colleagues.
- 3) Skills in daily conversation in Japanese.
- 4) Understanding in the education of a private university.

7. Application documents:

- 1) Curriculum vitae (in Japanese; download standard CV format from <http://www.hosei.ac.jp/saiyo/index.html>).
- 2) List of academic publications (download format from <http://www.hosei.ac.jp/saiyo/index.html>). Please separate published articles, books, book chapters, and conference presentations.
- 3) Off-prints or photocopies of five of the main publications listed in 2).
- 4) List of competitive funding, if applicable.
- 5) Statement of current research activities and future research plans in Japanese (one page each, in A4-sized paper).

6) One letter of recommendation and contact information for one or two personal reference(s) (including affiliation, phone number, and email address).

8. Application deadline:

All materials must be sent by post and received no later than October 1, 2018.

9. Selection process:

Short-listed candidates will be notified and given their interview. The interview will be carried out in Japanese at Hosei University, Koganei Campus (Tokyo). Please note that all costs related to attending the interview will be borne by the applicant.

10. Address for submission:

Please send all materials by registered post to:

〒184-8584 東京都小金井市梶野町 3-7-2

法政大学理工学部電気電子工学科主任

Please indicate “Electrical and Electronic Engineering Application Materials” (電気電子教員応募書類) in red on the envelope and send it by registered mail / courier delivery service. Materials will not be returned. Application materials will not be accepted by e-mail.

11. For inquiries only:

The head of the Department: Jun Shibayama

3-7-2 Kajino-cho, Koganei, Tokyo 184-8584, Japan.

Department of Electrical and Electronic Engineering, Faculty of Science and Engineering, Hosei University.

Phone: 042-387-6112
